

## MAKE THE MOST OF YOUR GETAWAY & BRING THE ROMANCE HOME WITH YOU

You spoke your vows on your wedding day but *what matters is living your vows every day.*

Marriage is the best, but it's not always easy. This getaway is your opportunity to reconnect and rekindle.

***Here are some simple conversation starters to spark discussion while you're away:***

- ▶ When have you felt most loved and connected with your spouse?
- ▶ When have you felt disconnected and why?
- ▶ What priorities at home are competing for your attention? Where does your marriage fit into that list?
- ▶ What's one thing that you can do for your spouse to make them feel valued and loved?

***Stay connected when you return home.*** Identify one thing that makes this time together special. It could be a favorite cocktail, music, or food. Make it a point to enjoy that same thing together when you're home again.
